

All year long our members mean so much, but in February...

WE REALLY LOVE OUR MEMBERS!

Throughout the month we **LOVE to share a few treats**,
before **the real treat, A NEW SEASON**, begins on April 1st!

The warmth we feel from the generosity of our members truly warms us
and with this we share another thing that warms our hearts...A GOOD BOOK.

One of our favorites, *The Mitten!*

This folklore story is told and illustrated by Jan Brett in such a delightful way.
"One by one, woodland animals find it and crawl in – first, a curious mole, then a rabbit, a badger and others, each one larger than the last. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page."

The **GIFTS a loved member will receive this week:**

A copy of the stunning and beautifully illustrated *The Mitten* by Jan Brett.

A unique handknit mitten

(lovingly made by our Membership Manager, Kate Morgan's mother-in-law, Kitchie Morgan, especially for you!)

**An owl from The Farmers' Museum shop tucked inside...
the start of your animal collection for the mitten!**
